HW: Chapters 1-1 and 1-2

Directions: Answer the following questions in detailed, complete sentences by reading and analyzing the text and images in Chapters 1-1 and 1-2 of the textbook (pages 5-11 and pages 14-18).

1. Using the reading from Chapter 1-1, write a paragraph response to these questions: How do scientists study the earliest human beings? What sort of findings have added to our knowledge?
2. What are **nomads**, and how do **hunter-gatherers** factor into this type of people?
3. What began the **Neolithic Revolution**? Why?
4. Describe the **Agricultural Revolution** in detail.
