

QUESTIONNAIRE

Answer the questions below and be prepared to discuss them with the class.

1. Which statement do you agree with more? (Leave this space blank for now. You will use the space to write notes later in the lesson.)
 - A. Everyone deserves to be educated.
 - B. Only certain people, such as the rich or children of government officials, deserve to be educated.

2. Everyone has his/her place in society. For instance, the intelligent and well educated should lead, the less talented and less educated should follow. Children should obey their parents and parents should provide for their children.
 - A. Agree
 - B. Disagree
 - C. Agree and disagree to some extent

3. What are some of the most important relationships in your life? Why are they important to you?

4. Compare the present-day society in your country to its society hundreds of years ago. In what ways do you think society has improved? In what ways do you think society could learn from the past?

5. What are some rules and regulations that you live by? Why do you follow these rules?

6. Human nature is...
 - A. Basically good—but improving and making the most of one's goodness requires a lot of work.
 - B. Basically bad—becoming a good person requires a lot of work.
 - C. Neutral—whether a person becomes good is based on his/her environment.
