

## COLLECTION OF GOLDEN AGE POSTCARDS - 50 POINTS

*Directions: Imagine that you are on a journey through the various classical civilizations of Hellenistic Greece, Rome and the Gupta Empire in India during its Golden Age. You will “visit” and describe the remarkable and impressive Gupta achievements discovered on the trip while making connections to one of the previous civilizations (Greece or Rome) you visited to your friends and family at home.*

1. You will be assigned one of the following areas of achievement:

- Education & Religion
- Literature & Performing Arts
- Art
- Metalwork
- Mathematics, Astronomy & Medicine
- Trade

2. You will be responsible for writing a postcard to a friend or family member. In the written portion of your postcard, you need to explain/summarize the Gupta achievement while making an insightful connection to a related example from either Greek or Roman civilization.

3. Once you are finished with the written portion of your achievement postcard you will be placed in groups of six and will exchange postcards with members of your group.

RUBRIC: An “A” postcard

- Has a written summary that clearly explains the Gupta achievement with details and also makes an insightful connection to a similar achievement found in Greece or Rome
- Uses descriptive language and is informative to someone that has never been to India, Greece or Rome
- Has no spelling or grammatical errors
- Is creative and displays that time and effort went into its creation
