

## Midyear Exam Study Strategy Review

- Study a little bit over a long period of time.
- Find a quiet place to study
- If you find it helpful, review with others (study group)
- Fill in any “gaps” (chapters not read, no notes, chapters struggled with)

## **Combination of Study Strategies**

1. Review and complete Mid-Year Study Guide
2. Read Chapter (especially if didn't the first time)
3. Read Chapter Summary (2-3 pages)
4. Review Chapter Study Guide
5. Review class handouts & timelines
6. Review notes from chapters **and from class**
  - a. Re-write notes
7. Review maps from chapters & study guides
  - a. Use GoogleEarth application for map review
8. Review your student folder (quiz & test questions)
9. Add questions to quizlet or flashcards
10. Review Chapter quizlets (for each chapter) – Vocab terms
11. **\*\*Complete Essay Graphic Organizer – 50% of Exam**
  - a. Work on Essay so you're prepared when it's time to write it
