

How the Aztecs Changed the World

(4:23-43:30)

1. How were the Aztecs an advanced civilization? Provide 3-4 examples.
2. What technology allowed the Aztecs to transform Tenochtitlan from a tribal town to a thriving city-state?
3. What similarities did the Aztecs have with other civilizations we have studied?
4. What cultural differences were embraced by the Aztecs?
5. Explain Cortez's strategy to conquer the city of Tenochtitlan.
6. What happened to the native population once Cortez conquered the Aztec empire?
