

Online resources:

There are some additional online resources that you can use to review some skills. I've provided some links in a separate PDF file. For these, you don't need to submit anything - but they would help you become stronger in English and math. These websites are available to you at all times.

Learn new vocabulary words: <https://www.vocabulary.com/>

Take a virtual field trip:

<https://freedomhomeschooling.com/virtual-field-trips/?fbclid=IwAR3lggTl5xQioUztAsCi1uwliK0V SQHFQs0WB3liZagwZUss-KAvVGw8-A>

Take a virtual tour of a museum:

<https://www.travelandleisure.com/attractions/museums-galleries/museums-with-virtual-tours>

Choose the type of math problem and level: For example, in our class we've been doing Fourth Grade multiplication, place values, decimals and fractions. <https://www.aaamath.com/>

Rosetta Stone offers a nice way to improve your reading, writing, speaking, and listening skills. Copy this link for Rosetta Stone.

<https://search.ebscohost.com/login.aspx?authtype=ip.cpid&custid=s4231522&site=rosetstone&return=y&groupid=main>

You will need to enter your library card number to sign-in or your Google login. Create an account with your email address and a password and choose the language which you plan to study. You can also download the mobile app to your tablet or phone. To sign into the app, you must log in from the Library website on your browser, which will then open your lesson in the app.
