1. Please complete this online class assignment. Your goal is to complete [one assignment](#) and submit it to me - either through Google Classroom or Email. You need to submit an assignment to me to receive credit for the class.
2. I will be available through Google Voice to chat with you during our scheduled class time. You can always email me directly to contact me.
3. First, watch the [2-minute video on Malala](#). It will give you some background information about the person you'll be reading about tonight.
4. **Watch the YouTube video** that was created for this lesson. You can then pause the video and rewind it if you need to - so you can complete the assignment.
5. Then read the assigned story of Malala independently (by yourself)
6. I added it to Google Classroom. It is also on pages 68-69 in your student book. I've also provided a link to this [story online](#).
7. Complete the [assignment](#) (10 vocab words, 10 sentences, main idea, 2-3 questions for the main person) and submit it to me.

There are some additional [online resources](#) (separate PDF) that you can use to review some skills. You don't need to submit anything - but they would help you become stronger. These websites are available to you at all times.

Homework:

- Complete the assignment if you weren't able to do it (submit your assignment through email or sharing a Googledoc)
- Choose an [online resource](#) to improve your english and math skills

Optional: If you didn't complete the previous assignments ([Ron McNair pg 134](#), [Sol Arimendi pg 239](#), [John Heyn pg 109](#), [Marat Kogut pg 125](#)), you could do that. The stories and video readings of the stories were previously posted on Google Classroom. Links are included in this document.
